

Welcome to the Cardston Jr. High School! Please make sure to have the following supplies for Grade 6 next year:

#### Gym Class (PE)

- Running shoes (lace up shoes that can be tightened for running)
- Athletic clothing (shorts/t-shirt/sweats etc.) to change into

#### Core classes (Math/Social/LA/Science)

- Pencils (can be mechanical \*Note: pens cannot be used in math class)
- Pens
- Erasers

(It is hard to give an amount for pencils/pens/erasers. Some kids need 10 pencils for the whole year, others need 200. The number of each depends on the organization and care of supplies by your child. Also, please do not send all the pens/pencils/erasers the first day of school. Periodically send them as kids are needing them.)

- Highlighters
- Pencil crayons
- Fine/Medium tipped coloured markers
- Scissors
- Small roll of colorful or patterned duct tape to decorate science notebook with (notebook is provided by the school)
- Pencil case to fit above items.
  
- 1 Coil Scribblers (**250 pages**) for Math
  
- Zippered binder
- 1 set of dividers for the zippered binder
- Lined loose-leaf paper

#### Option Classes

- Some option classes will require various supplies. For example, a cooking class will require an apron and a sewing class will require fabric, thread etc. Lists for these required items will be given when students begin the class.

Some kids have found the following items to help:

- locker shelf (make sure it is tall enough to put binders underneath)
- magnetic pencil holder for locker
- Handheld pencil sharpener

#### Note:

- Lockers are provided by the school and students **do not** need to bring one.
- Extra lockers are available for rent through the office if your child feels they need more space (winter coats, boots etc.).
